EDUCATION

Geeta University — Panipat, India
Bachelor of Technology (B.Tech) in Computer Science & Engineering — *2024* – Present
CGPA (4 Semesters): 8.50/10.0 — Highest Semester CGPA: 9.21 (4th Semester)

Govt Sr. Sec School, Krishanpura — Panipat, India
Class XII, Percentage: 78% — *2023 – 2024*

Navjeevan Public School — Panipat, India
Class X, Percentage: 84.6% — *2021 – 2022*

TECHNICAL SKILLS

Languages: C, C++, Java, Python, JavaScript
Frontend: HTML, CSS, React.js, Bootstrap, Tailwind CSS, jQuery, Redux
Backend: Node.js, Express.js, RESTful APIs, Socket.IO, MongoDB, SQL
Libraries & Tools: NumPy, Pandas, Git, GitHub, Postman, DBMS, MS Excel
Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, Computer Networks

EXPERIENCE

Programming Intern - *Certificate* — Feb 2025 – Mar 2025
Coding Blocks

- Worked on programming fundamentals, Data Structures and Algorithms, and problem-solving techniques.
- Solved 500+ coding problems on LeetCode covering arrays, strings, recursion, searching, sorting, and basic DSA concepts.

Advanced Full Stack Development Intern - *Certificate* — Jun 2026 – Jul 2026
Geeta Technical Hub

- Worked on full-stack web development using JavaScript, React.js, Node.js, Express.js, and MongoDB.
- Developed and integrated frontend and backend components using the MERN stack.
- Gained hands-on experience with RESTful APIs, database integration, and modern web development workflows.
- Learned and applied web application deployment concepts for deploying full-stack applications.

PROJECTS

Placement Connect – Career Development Platform (Group Project) | *GitHub* | *Live*

- Developed a full-stack career development platform that helps students discover jobs, internships, courses, skills, and career opportunities.
- Implemented job and internship discovery, resume building, skill development, and personalized career preparation features.

NexaChat – Social Communication & E-Commerce Platform | *GitHub* | *Live*

- Built a full-stack web application combining concepts inspired by WhatsApp, Instagram, Discord, and e-commerce into a unified platform.
- Developed features for user communication, social interaction, community engagement, and commerce-oriented workflows.
- Designed a responsive frontend and integrated backend services using modern web development technologies and deployed the application on Vercel.

CERTIFICATIONS & ACHIEVEMENTS

- Internship in DSA Advanced at Coding Blocks — *Certificate*
- Second Position — Smart India Hackathon (SIH) at Geeta University — *Certificate*
- Participated in External Hackathon — *Certificate*
- Solved 600+ problems on LeetCode — *LeetCode*
- AWS Solutions Architect Simulation — *Certificate*
